It has certainly been a little quieter this week after the excitement of the Olympics and Book Week. Both events were celebrated in style and involved students, teachers and family members; once again demonstrating the wonderful spirit that we have here at Langwarrin Park.

Last Friday the Naplan reports were sent home for our Year 3 and 5 students. Parents are given information about their child’s achievement in Reading, Writing, Spelling, Grammar and Punctuation and Numeracy. At the school level we are given further diagnostic data which we analyse and compare with other assessment data that we have collected. This National testing is just one measure that we use to assess the learning growth of students.

This week is ES week and I want to acknowledge and applaud our ES staff. You might wonder who these people might be - ES stands for Educational Support and we have a number of people in our school community who you do indeed know well! They are the non-teaching staff who help make our school run smoothly every day. They support your children and the teachers at LPPS in a variety of ways – in the general office, the library and in the classrooms and we would like to thank them all for the great work that they do.

We have had a number of new enrolments recently for our prep program in 2017. If you are intending to enrol your child for next year, could you contact the office as soon as possible. Also, please let us know if your child will be leaving LPPS at the end of the year.

Our Year 4 campers left yesterday destined for the city sights. We wish them well and look forward to hearing all about it when they return.

BOOK WEEK

A HUGE thank you to our entire school community for celebrating Book Week with such enthusiasm. Our Book Parade was a sight to behold with colour, song, discussion and cheerful applause. Our incredible efforts were captured by the Frankston Leader newspaper and further conveyed in our record sales of $10,726 at the Book Fair!!! A sincere thank you to all staff and families that assisted on the day which contributed to this success. We are very proud of our student engagement in reading and literacy and will continue to support and nurture this through such National programs.

BOOK CLUB

Issue 6 of Book Club will be sent home this week and is due back to school Friday 2 September. In the first Semester our school has earned many valuable resources such as numeracy games, readers and some interesting new Non Fiction titles. Thank you for supporting this program!

PREMIER’S READING CHALLENGE

The PRC continues throughout Term 3 with an amazing 6,053 books read and logged to date. Please continue reading and logging until the Challenge concludes on September 9th. We will celebrate our participation on the final assembly.

FROM THE ART ROOM

This week each year level engaged with one of the Children’s Book Council Shortlisted books for Book Week. This inspired many creative pieces some of which are on display in the Library and around the school.

CONGRATULATIONS – GIRLS INTERSCHOOL NETBALL TEAM

Last Thursday, the Girls netball team competed at the Southern Metropolitan Regional finals. The girls had to play against 3 other schools in their pool. Unfortunately the first game was against a very strong Mentone Girls Grammer team, the eventual winners of the competition.

All the girls tried extremely hard, but Mentone Grammar were too good and the team was beaten by 10 goals. The girls regrouped for the second game and played extremely well. Berwick Springs got the early lead in the first quarter leading by 4 goals, however, a few positional changes and the girls were on fire. They put up a great fight, but unfortunately the girls lost by 1 goal. The last game was against Westall Primary School. In this game, the girls were back to their best, winning the game by 15 goals.

Even though the team did not make it through to the semi finals, it was a great experience for the girls. Sportsmanship and behaviour was outstanding by all involved.

Thank you to the parents who transported the students and supported the team. A special thank-you to Deb Hunter who assisted Mrs Burt with coaching.

Congratulations: Brooke Hunter (6/6), Shayla Jansz (6/6), Tahlia Hems (6/6), Madison Tate (6/6), Emma Allen (6/6), Chloe Howes (6/7), Bella Betinksy (6/7), Penny Wiseman (6/7) and Jessica Confoy (5/12)

DISTRICT ATHLETICS: Wednesday 7th September

Over the last six weeks, many students have been actively involved in the various training sessions. Thank you to both students and parents for supporting these sessions and congratulations to all students who attended these trials.

As expected, some tough decisions had to be made. Selection has been finalized for most events, however, there are a few students who are very similar in ability and therefore for a few events I have not determined who will compete and who will be the emergency.

It is important for all students selected for the team to attend the relevant training sessions. Please bring runners each day incase training times are altered.

Consent forms and money needs to be returned by Thursday 1st September. Please contact the Finance Office if payment is not possible by this date.

PMP

Thank you to all of the parents who have been assisting with the PMP program on a weekly basis. The students love the program, and it is wonderful to watch their progress.

I am hoping the program will run until the end of the term, but this will only be possible if we continue to have sufficient Parental Support. Please speak to your child’s teacher if you are able to assist with the program.

SWIMMING CLUB – Wednesday mornings (7:45am - 8:30 am)

Students who wish to participate must bring goggles, towel, drink bottle, bathers and of course uniform to change into. Students must be K9 level (or equivalent) or above to participate. Please contact Mrs Burt for further inquires.

UPDATE OF STUDENT DETAILS

Please, please, please if you have moved, changed/deleted home or mobile phone numbers or changed emergency contact details we desperately need to know.

So many times when a child is sick or injured the front office has trouble making contact with either parents or emergency contacts which can be extremely stressful for your child as they think that no-one is available to come and collect them.

U8 Laser Force Loss 28-14 Fabulous effort by the boys today, their skill level is getting better every week great job Greg (very excited!!!)

U8 Laser Legends Loss 0-19 Well played by the Legends. This week the boys were passing well and had numerous shots as a goal, just couldn't get the ball to go in unfortunately. Keep up the good work Legends, you're all improving each week.

U12 Laser Strike WIN 34-12 Another excellent team effort. Great passing up ahead to players closer to goal. Keep up this form as we lead into the finals boys.

Laser Flames WIN 20-7 What an awesome game boys. A job very well done. Great defence and rebounds. Player of the match was Jackson. He had a great game. Well done.

U12 Laser Heat Loss 11-26 The boys all put in a great effort against the top team with fantastic teamwork from all players. Great game by Liam North who was the player of the day.

U12 Laser Warriors WIN Great game guys. Played really well as a team and it showed on the scoreboard. Special mention to Bailie and Billy who were literally on FIRE today! Great job also to Joel who proves he's no pushover! Well done Warriors.

U14 Laser Cross Loss 27-50 You all played a great game boys, sharing the ball around and driving in to draw the fouls. Keep on keeping on! Go Crocs!

U14 Laser Zapps WIN 32-05 Another great win with everyone scoring. That's what we like to see Zapps. Small lapse in defence in second half let them get some scores on the board, but you turned this around keeping up the positive momentum to the end.

U14 Lightning WIN 15-13

GIRLS – 15/8/16

U8 Laser Sharks WIN 8-3 The Laser Sharks had a great win against the Dandenong Wolves this week. The game was neck and neck at times with the Wolves picking up the pace in the second half. Great team effort boys. You all play so well each week and always try your absolute best!!!

U10 Laser Ninjas WIN 17-6 Another great game played by all of the boys. Strong contribution on the scoreboard by Ky Cosgrove, with some excellent play by all of the boys. Defensively they were on their game, making it difficult for the Eagles to get any shots. Special mention to Kola for two lovely goals and some really good defensive hands, stealing the ball from his opponents on multiple occasions.

U12 Laser Strike WIN 30-25 Congratulations Warriors on another great win! Well done to Misha for drawing a foul and getting a point. Well done to Blake for passing the ball around and being a great team player. Again well done on a brilliant team effort.

U14 Laser Cross Loss 25-97 What a great game you all played boys. You kept up with the opposition and played well in defence. A wonderful team effort, with some nice goals and a great team spirit. We are very proud of you all. GO CROCS!!!

U14 Laser Zapps Loss 27-29 Bad luck Zapps, I just let the other team pressure us into rushing a little today. Your intensity in the second half was just unlucky with some of our shots. Back to work next week. We have been enjoying a pretty good season so far.
