WATER SAFETY AT LPPS
Last week, Year 6 students spent three sessions in our pool in preparation for this week, when they have ventured down to Mills Beach in Mornington for 4 sessions of water activities designed to strengthen their swimming and water safety knowledge and capabilities. This culminates with a full day of activities today to celebrate their learning. Congratulations go to Mrs Burt and the Year 6 teachers for once again ensuring that this is one of the most anticipated events on the Year 6 calendar.

PARENT HELPER TRAINING
Every year we provide a training session for parents who are happy and willing to help us with our Reading program. This year the session will be held on Thursday 9 March in the Dance Studio and will be coordinated by two of our Leading Teachers. In addition, we would also like to invite parents of students in years 1 or 2 who want to help in their child’s classroom but have not done the training. Further information will be sent out next week.

SCHOOL COUNCIL
Half of our School Council members have completed their two-year term and this year two Department of Education and Training (DET) employee members and five parent category positions will become vacant. The configuration of the LPPS School Council consists of ten Parent Category members and five Department of Education & Training (DET) employee members, including the principal.

Parents are greatly valued on School Council and provide us with an important community perspective for the future development of the school. They bring with them their experience as parents at the school as well as the views of the wider community. The School Council meets for a minimum of eight meetings per year on a Monday evening. The starting time for meetings is 6.30pm.

Nominations are now being called for School Council Elections. There is a timeline included further on in this newsletter. Details will be posted outside the General Office and you will also be able to find information through the school website [www.langwarrinparkps.vic.edu.au](http://www.langwarrinparkps.vic.edu.au). Nomination forms are available from the Office. If you are interested, please consider joining us – your contribution will be greatly appreciated. I am very happy to talk with you if you want to find out more about what the role entails.

As mentioned in our last newsletter, we have all started the school year reflecting on our school values and what it means to be a good Langwarrin Park citizen. Students from Years 3-6 had a visit from some representatives from the NRL who focussed on RESPECT...one of our core values.

They reinforced what RESPECT looks like, and how students can display this through involvement in a team. Team/Family: School : sport or hobby group : Church. Actions/Being Friendly : inclusive : thoughtful : supportive. The children watched a presentation and listened to Billy Slater and Tui Kamikmica who explained how involvement in the Storm continued to develop values instigated when they were young.

BREAKFAST CLUB
Just a reminder that our Breakfast Club is operating from 8.15-8.45am on Mondays and Wednesdays.

What Did Our Teachers Do Over the Holidays?
Well the Langy Park teachers did accomplish something wonderful over the holiday break. You see we collected money in the staffroom at the end of last year to donate towards helping families in Cambodia. The teachers raised $530 to donate to a really good cause called ‘Cows for Cambodia’. This organisation helps families in need in Cambodia, in an area called Siem Reap, and Mr Skidmore visited to see how it all works. When we contacted ‘Cows for Cambodia’ in early December, they asked us if we could fund the construction of a goat shelter. This cost $360 and whilst there Mr Skidmore helped measure the dimensions, order the timber and roofing sheets etc. He also met a number of local families and three schools and with the Langy Park funds donated rice, animal feed, school materials and even pillows to help them out. This was a touching and worthwhile experience and in 2017 we will be asking the SRC to explore raising funds for two organisations in Cambodia; ‘Cows for Cambodia’ and ‘Green Gecko’ (an organisation that is doing wonderful things providing young people with skills and guidance so that they can have successful futures). Have a look at the pictures below and if you have time check out the web sites for both organisations. You will hear more about this in 2017 as we set up links with these organisations through the SRC. Web Sites: http://www.cowsforcambodia.com/go to media and watch a couple of the videos http://www.greengeckoproject.org/

We are currently seeking interested Parents and Friends from our School Community to join us as part of the new 2017 Committee. The School simply can not provide the wonderful opportunities such as special lunch days, Mother and Father’s Day stalls, morning teas and our wonderful Easter Raffle without the operation of this group. There is so much fun to be had shopping for these items and meeting regularly at suitable times to ensure these events are organised for the students. The PFC are responsible for providing funding for many additional facilities around the school such as our Shade Sails. The children of these helpers always love to see their family involved in their School. We would love to see as many faces at this first meeting for the year. Should you wish to discuss the PFC prior to the meeting please contact the Front Office for more information. Many hands make light work.

Welcome to your Canteen 2017. I hope you like some of the new menu items. In addition to what’s on the menu (displayed further in the Newsletter) there are also other items that change regularly available at the counter.

Just to let you know that Hot Chocolates and Homemade Soups will be available in Term 2 and 3.

Please note that Sour or Creamy Zings are only available at recess and are not available for lunch orders.

Please remember to include 10c for your paper bag if you do not supply your own.

I will also have fortnightly MEAL DEALS available each week!

I will also be having a Term 1 Special Lunch day which will be in late March so keep your eyes out for that flyer.

Enjoy!

SCHOOL BANKING

The Dollarmites are bringing the future to your school.

Since 1931, CommBank's School Banking program has been offering engaging ways for Australian children to learn the value of saving and develop lifelong money skills.

For our 2017 theme, a futuristic adventure is in store. Students will join the new-look Dollarmites as Future Savers, making their way towards the Savings Hover Park—a fantastic playground up in the clouds of a hi-tech metropolis.

Encouraging savings habits with great rewards
School Banking will continue to reward children who demonstrate regular savings behaviour, and this year we’re introducing an exciting new range of reward items. Two are released every term, and available in Term 1 are the Cyber Handball and Colour Change Markers. Your child can redeem one of these reward items, while stocks last, after making 10 School Banking deposits.

Visit commbank.com.au/schoolbanking to download and print this year's Rewards Card. On our website you’ll also find a fun activity sheet and a Savings Tracker your child can use to keep track of their School Banking deposits throughout the year:

Dedicated savers get a chance to win a trip to Tokyo Disneyland
The Future Savers Grand Prize competition will take one lucky student on a family trip to Tokyo, Japan. Up to two adults and three children will get tickets to explore Tokyo Disneyland and Tokyo DisneySea, including the futuristic Tomorrowland attractions. This prize includes:

- Return economy airfares from the winner’s nearest capital city to Tokyo, Japan
- Five nights’ accommodation at the Sheraton Grande Tokyo Bay Hotel
- Three-day Magic Pass to Tokyo Disneyland and Tokyo DisneySea
- AUS$1,000 spending money

To enter, your child simply has to make 15 or more School Banking deposits before the end of Term 3, 2017. This will automatically enter them into the competition for a chance to win.

For more information, visit commbank.com.au/schoolbanking
This tentative outline of forthcoming events is provided to assist parents with their budget planning. Remember this sheet can change from week-to-week as adjustments are made.
