

# OUR BEFORE AND AFTER SCHOOL CARE COMMUNITY

## ABOUT US

As kids my brother and I wore the same thing. Whether we were playing sports, reading adventure books or finger painting we always wore a smile! So as adults we chose to build a family business around that same simple joy of 'making kids smile'. Twenty five years later, we are the leader in Australia for Outside School Hours Care and we are still doing what we love best. With the support of an amazing team and wonderful partners, we've got everyone smiling!

## HOW WE MAKE KIDS SMILE

First, we ensure a safe and caring environment for children to play, form friendships and create positive memories. Then we add a host of fun activities that bring out smiles. Not just one or two smiles either. In fact, our Before and After School Care programs positively impact the lives of thousands of children every week. There are so many smiles, it kind of makes our cheeks hurt just thinking about it!

## HOW WE MAKE PARENTS SMILE

Whilst we focus on smiles and having fun, we take very seriously the responsibility of caring for the most important person in your life, your child. Our qualified staff are trained by our Registered Training Organisation, supported with regular professional development and care about your child's needs, interests and wellbeing. Add to this the convenience of our online booking system and you will be smiling too.
