1. School profile

Langwarrin Park Primary School was established in 1989 and is located approximately 55 kilometres south east of Melbourne. We have 725 students enrolled from Foundation to Year 6 and 55 school staff members including, a wellbeing coordinator and Positive Education Coordinator.

Our school grounds back onto native bushland, and we are surrounded by a supportive community. Most students that attend our school live locally and tend to walk or ride their bike to school. Langwarrin Park Primary School has developed close ties to the local community, and enjoys support from our local shops and community services. We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

At Langwarrin Park Primary we recognise and value the ongoing partnership between the child, the school and the community. A range of student learning styles are supported and learning is stimulating, challenging and achievable. Ongoing explicit and effective feedback ensures that students understand their place in their learning journey and recognise what they need to do to move to the next level of achievement. Staff is committed and dedicated and work hard to ensure that we are '*sculpting a successful future*' for all students.
