

PRINCIPAL'S REPORT

This week has been a fantastic final week of Primary School for our Year 6 students. Wednesday's Graduation ceremony was a wonderful event where we were able to congratulate all of them and reflect on their achievements. We wish them every success as they move on to secondary school and encourage them to embrace the opportunities that the future offers.

As happens every year, there are a number of families who have reached the end of their journey with us – many of them are from the Year 6 cohort and some have seen two or three or more children progress through the school. For others who are moving to new areas, we wish you well in your new schools and we thank all of these families for their contribution to our school in the time that they have been here.

As we come to the close of the year and reflect on the achievements from 2019 we become very much aware that it is only with the support of families that we can be as successful as we are. So many parents and family members help us with our programs and special events; generously giving their time, energy and enthusiasm. Thank you for your ongoing commitment to our school.

Finally I wish to applaud the great work that our staff members do in the classroom and specialist programs and in the administration of the school. Thank you for a great year.

Have a fantastic Christmas everyone – enjoy your holidays.

PARENTS and FRIENDS ASSOCIATION

I would just to take this opportunity to thank each and every parent for their support of all of our fundraising and associated PFC activities this year. I would like to announce that we have raised, in total, just over:

\$34,000

for the 2019 school year!! You should all be proud of this outstanding result, it is far in excess of any goals we could have set.

I hope that everybody has a very happy festive season and a great holiday. We are looking forward to seeing you all in the New Year, refreshed and energised for all that 2020 has planned. Merry Christmas.
