This year, due to the COVID-19 restrictions, our process for enrolment will be altered. Currently we are unable to offer tours of our school to you and your child, however we have a video for you to watch which includes the information that you would be given on these tours. There are also a number of attachments that you are encouraged to read.

Our school zone can be found on the website www.findmyschool.vic.gov.au Students residing in this zone are guaranteed a place at our school which is determined on the basis of your permanent residential address. Siblings are also guaranteed a place. We will offer places to those who live outside the zone after this first round of placements have been approved.

This program will begin in term 4 and will be accompanied by Parent Information sessions. More details about this will be provided at a later date.

Specific concerns

Please contact the school on 9775 7533 to speak with Ms Deb Haddow (Assistant Principal, Welfare & Wellbeing) if you have any particular concerns about the learning needs of your child.
